Sub: Audit Fees - Payment to be determined by Government - Orders requested.
Ref: Audit Report on the Accounts of the Market Committee for 1951.

Sir,

In para 12 of the Audit Report of the Examiner of Local Fund accounts, Madras on the accounts of this Market committee for the year 1951, it is stated that the total expenditure during the year was Rs.10,465-13-0 and that Government may be addressed to determine the audit fees payable as required by rule 66 of the Madras Commercial Crops Market Rules 1948.

In this connection I submit that this Market Committee having been newly sanctioned for this District, began to function in June 1951. The expenditure during these seven months from June 1951 to December 1951 of the year were mainly on certain capital items of expenditure such as furniture and equipment and on the salaries etc. of the staff. The receipts of the Market Committee during this period was Rs.13,848/- and the closing balance was only Rs.3382-2-9 at the end of the year 1951. Thus it is seen that the audit was only for a period of seven months at the initial formative stage of the Committee, when the transactions were not heavy.

I therefore request that Government may be pleased to exempt this Market Committee from the payment of the contribution of the audit fees for the year 1951. If exemption cannot be granted, I request that a nominal contribution may be fixed as the audit fee for the year in view of the above facts.

What about the request of the Committee in para 3 on p. 1 of?

Under Rule 66 of the Mysore Rules the Market Committee should contribute to State Revenues such sum not exceeding 3 per cent of the total annual expenditure of the Committee as may be determined by the Govt. in each case towards the cost of local audit establishment. In para 3 on p1 c.f. the Committee has requested either total exemption or fixation of nominal contribution towards audit fees. As suggested by Secy. to H.E. Accounts it is proposed to fix the contribution at 0.375% of the total annual

expenditure of the Committee. This is a substantial concession and complete exemption need not be pressed. The D.A. agrees to the proposal.

The file may be returned to Finance Dept.
